Triangle Civil Services, Triangle Concrete Services Inc. (TCS),

specializes in providing comprehensive concrete and civil construction solutions for industrial and heavy commercial clients. Established in 2006, TCS has successfully executed numerous projects, from minor maintenance tasks to multi million dollar contracts along the Gulf Coast.

In 2018, recognizing the need to represent the breadth of its capabilities accurately, Triangle Concrete Services re-branded as Triangle Civil Services, encompassing not only expertise in concrete construction but also a wide array of civil construction services.

TCS is committed to delivering quality construction services with a paramount emphasis on safety, excellence, and value. Through leadership and training, the company's supervisors and craftsmen uphold a reputation for consistently delivering safe and high-quality work. TCS prides itself on completing projects safely, accurately, and within stipulated timelines.

With over 30 years of industry experience, Toby Berwick, the founder of TCS, brings invaluable expertise and insight to the company's operations. His leadership has been instrumental in shaping TCS' safety-first approach, which has garnered the company a stellar reputation within the construction industry.

Whether it's constructing foundations, roads, or complex industrial facilities, TCS stands ready to turn visions into reality.

Policy Statement

It is the belief of Triangle Civil Services, Inc., (hereinafter referred to as "Triangle Civil Services") that all injuries and illnesses are preventable. Triangle Civil Services holds in high regard its employees and their entitlement to a safe working environment. Triangle Civil Services will supply all employees a safe working environment free from hazards and conditions that may cause injury or illness. Our staff will continuously provide safe working conditions on every jobsite.

The safety and health of Triangle Civil Services employees are our primary concern and all company activities and work sites shall follow all the rules, standards, and regulations as required in this Safety and Health Manual. This Safety Program has been produced to delegate safety responsibilities, provide training, coordinate inspections, provide concise documentation as required by our clients and to observe trends that lead to incidents. All policies are based on the most current OSHA standards and requirements.

As the owner of Triangle Civil Services, I pledge to be involved in the program to provide a safe workplace, to comply with applicable local, state and federal safety requirements, and to continuously seek ways of improving upon all Safety and Health Policies.

Toby Berwick, President / Owner

OSHA's Form 300A (Rev. 01/2004)

Summary of Work-Related Injuries and Illnesses

Year 2024

U.S. Department of Labor
Occupational Safety and Health Administration

Form approved OMB no. 1218-0176

All establishments covered by Part 1904 must complete this Summary page, even if no injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete

Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you've added the entries from every page of the log. If you had no cases write "0."

Employees former employees, and their representatives have the right to review the OSHA Form 300 in its entirety. They also have limited access to the OSHA Form 301 or its equivalent. See 29 CFR 1904.35, in OSHA's Recordkeeping rule, for further details on the access provisions for these forms.

Number of Cases

Total number of deaths	Total number of cases with days away from work	Total number of cases with job transfer or restriction	Total number of other recordable cases
0	0	0	0
(G)	(H)	(I)	(J)

Number of Days

Total number of days away from work	Total number of days of job transfer or restriction
0	0
